*The Boroughs of Thetford and Great Yarmouth extend into *Suffolk*. The entire Borough of Thetford contains 4,166 persons. The entire Borough of Yarmouth contains 41,819 persons. As the area of the Norfolk portion of the parish of St Mary's, Thetford, is not known, the entire area of that parish is returned in *Suffolk*, the principal portion of the population of St. Mary's being in that County. Hence the area assigned above to the Norfolk portion of the Borough of Thetford, though as near an approximation as can be obtained, is not precisely accurate.

REGISTRATION OR UNION COUNTIES, SUPERINTENDENT REGISTRARS' DISTRICTS, AND REGISTRARS' SUB-DISTRICTS.

DIVISION I.—LONDON.

AREA, INHABITED HOUSES, and MALE POPULATION in 1871, in REGISTRATION or UNION COUNTIES (*parts of*).*

Registration or Union Counties.	Area in Statute Acres.	Inhabited Houses.	Male Population.
DIVISION I.—**LONDON** † - -	75,362	417,767	1,523,151
MIDDLESEX (*part of*) - - - -	31,499	276,848	1,063,110

KENT (*part of*) - - - - - -	21,362	35,223	107,479

* Registration or Union Counties consist of groups of Superintendent Registrars' Districts, which are generally co-extensive with the Poor Law Unions. Those Districts which extend into two or more Counties (proper) are included entirely in that County in which the principal town of the District or the greater part of the population is located. The boundaries of Registration or Union Counties, therefore, differ more or less from the boundaries of Counties (proper).

† The limits to which the term "LONDON" applies are those of the District of the Metropolitan Board of Works, and the Registrar General's "*Weekly Tables of Births and Deaths* in London," with the following exceptions: the hamlet of Penge, in the Croydon Union, is within the District of the Metropolitan Board, but is not included in the Registrar General's limits; and the hamlet of Mottingham, being part of the Lewisham District, is included by the Registrar General, but is not included with the remainder of Eltham Parish in the District of the Metropolitan Board.

In all the counties marked thus *, the number of square miles and of acres is given from actual survey by the Ordnance Staff. The measurements of the other counties, with the exception of Shetland and Orkney, are taken from Major Dawson's estimate for the Census of 1851. In that estimate he included as land all the channels between the Islands of Shetland and Orkney. These channels are excluded in the estimate given in the above Table.

Crown Agent.
